

Problem Specification

Switch Statements

1 PROBLEM DESCRIPTION

Modify the provided *SwitchStatements.java* from the class website.

2 WHAT TO TURN IN

- Your modified *SwitchStatements.java* file
- Documented test cases
- Answers to the questions below

3 QUESTIONS

- What value of *a* makes the if statement on line 30 produce a logical error?
- What is the output of the code if you change the value of *dayOfWeek* to 5 on line 9? Explain the behavior.
